The Baer Group, LLC Announces Affiliation with Spectrum Resources for Midwest Expansion

Atlanta, Georgia. July 14, 2011 – The Baer Group, an award-winning SAP staffing and consulting firm, is pleased to announce a new affiliation with Spectrum Resources, LLC, a Kansas City based company, who will assist in the expansion of business throughout the Midwest.

Spectrum Resources has more than thirty-five years of experience with offering a wide variety of consulting services to companies throughout the Midwest. Spectrum Resources will assist The Baer Group's Senior Client Partner, Terry Rabe, with offering local support to compliment Baer's national presence.

"Spectrum's experience and in-depth knowledge of the Enterprise Application Environment will assist in the expansion of our SAP staffing and consulting practice throughout the Midwest", stated James Boler, Executive Vice President of The Baer Group.

The Baer Group quickly finds and provides the right SAP consultants with the exact credentials and expertise needed for successful projects. By hiring the right SAP consultants, clients avoid project delays, cost overruns and miscommunication. Ultimately clients get a correctly-configured SAP solution that meets their business needs.
